### Terms & Conditions

All cattle will sell under the suggested sale terms and conditions of the American Simmental Association. Announcements made sale day and from the auction block during sale take precedence over printed material.

### Liability

All persons who attend the sale will do so at their own risk and neither owners, Illinois Simmental Group or Illinois Beef Expo, nor GBCS assumes any responsibility, legal or otherwise, for damages, accidents, theft, errors in the sale book, or omissions. All cattle are at the purchaser's risk as soon as sold. Assistance will be given in loading and shipping of cattle, but no risk is assumed by anyone associated with the sale.

### Insurance

Insurance will be available sale day.  
Jame Secondino Krieger: (812) 208-0956  
American Livestock Inc.  
20860 Clinton Rd., Paris, IL 61944

### EPDs

Please note that EPDs may change from the time the sale book is printed until the registration paper is transferred.

### Herd Health

All cattle selling will have health certificates. The bred females will be pregnancy examined.

HC Power Drive 88H  
SVF Sheza Classic N905  
SVF Sheza Lady J900

Consigned by Bramlets Simmentals, Harrisburg, IL

- We are so excited to be offering the choice of these two exceptional fall heifer calves. These two females are so unique in their own kind. They are both very long spined, big footed and boned, but yet very stylish and sleek necked.
- We can't say enough about their donor, HPF MS BEAUTIFUL and what she is doing for us. Last year an SAV PIONEER daughter, which would be a sib to these girls, went on to claim many banners for the Hale family of Illinois. Reserve % Simmental at the IL Beef Expo, Supreme Overall at the TN Agribition and Murray State Preview to name a few.
- We believe these females can go on and do the same or better, so take your pick and enjoy.

Bramlets Beauty X054 – Maternal sister to  
Lots 1; Full sister to Lot 1C

- Not only are we giving you choice of two heifer calves out of our outcross donor HPF BEAUTIFUL, we are also offering four matings of your choice. There has been progeny out of three of these matings to date and have yet to disappoint. We have had females from SAUGAHATCHEE, IN DEW TIME AND PIONEER. Each and everyone have been exceptional. We expect the same from the total line outcross bull YARDLEY'S HIGH REWARD.
- Selling 3 embryos from your choice of mating. Guaranteeing 1 pregnancy if work is done by a certified embryologist.

Yardley High

- Choice of two CHYNA daughters. One bred, one open, pick the one for your program. If you don't have a CHYNA daughter, you should look at these outstanding daughters or embryos.
- DOUBLED BLK CHYNA is no longer with us so we are sorry to report, this will be some of the last opportunities to purchase genetics from this great female.
- Selling your choice of great females from this great donor.
- Selling your choice of 3 or 5 embryos from your choice of matings. Guaranteeing 1 pregnancy on 3 embryos and 2 pregnancies on 5 embryos if work is done by a certified embryologist.

Miley Cottontail – full sister to Lot 3A embryos

JM H25 Dice R9 – donor dam of Lot 3 & 3A embryos

### Consigned by Loschen Farms Inc., Ludlow, IL

- Here is your chance to choose from two great matings on Dice! This cow family has produced many champions as well as high dollar animals.
- These genetics are some of the hottest in the breed right now.
- We are offering full sib embryos to Miley Cottontail in Lot 3A. If you are a Simmental breeder there is not much explanation needed behind that statement.
- Miley Cottontail sold for \$33,000 at the NAILE sale to Sanders Ranch & Pine Ridge.
- We also mated this cow to the young popular Milestone sire. This semen alone has been selling for \$200 and has been hard to come by. Now is the best time to jump on board this exciting sire, this mating is sure to be a hit.
- Selling your choice of 3 or 5 embryos from your choice of matings. Guaranteeing 1 pregnancy on 3 embryos and 2 pregnancies on 5 embryos if work is done by a certified embryologist.

### Consigned by Jordan Simmentals, Knightstown, IN

- A few years back we were looking for progeny from some of the top Simmental donors and no doubt the C-Mor Beef/Blackford donor Lucy came to the top very quickly. Reanna or "Promise" as we call her is a former Pride of the Prairie high selling heifer, being a Lucy x Jokers Wild. Promise is one of those cows that has EARNED her way into the Donor pen. Through 5 calves she has produced 4 heifers, the last 2 being standouts. Her baldy Foreman heifer 2 years ago went to Maryland where she was either Grand or Reserve over 10 times. Her current Shocking Dreams daughter was recently named Reserve Champion Simmental, where she was one of the youngest to hit the bark in a record number of entries at the 2011 Hoosier Beef Congress.
- Duane asked us to consign this female to the Beef Expo sale, but he wasn't willing to battle my daughter for the opportunity to sell her. Promise produced 28 eggs in her first flush.
- Selling choice of 3 embryos guaranteeing 1 pregnancy or 5 embryos guaranteeing 2 pregnancies if work is done by a certified embryologist.

J2 Promise Me Purple Y07 – full sister to Lot 4 embryos

J2 Ms Sassy X03 – maternal sister to Lot 4 embryos

### Consigned by Black Diamond Genetics/Breezeway Simmentals, Clinton, IL

- Want to try something nobody else has? Ella Grace was sold in the 2010 Land of Lincoln Sale as one of the top selling breds. She was shown and won several shows and just got better as she aged. She was always a class, division and champion contender for Fairrow Bros. all across IL and was the buzz when she sold at Land of Lincoln. She has a beautiful front, smooth shoulder, deep fore and rear flank, and a soft look. Her rib cage is below her point of shoulder and extends to the rear flank. Ella's mother was a division winner at the IL State Fair and her grand dam is the former Rincker K3 donor.
- We are offering all No. 1 eggs to the Excalibur bull that was the most talked about bull in Denver 2011. Excalibur sold at the highest price at "The One" sale in Denver and was the highest price to ever sell at that sale at \$65,000.
- A new twist in genetics here with the very top baldy female we have ever raised mated to one of the top baldy bulls in the country. Help yourself.
- Selling choice of 3 embryos guaranteeing 1 pregnancy or 5 embryos guaranteeing 2 pregnancies if work is done by a certified embryologist.

### Consigned by Spittler Cattle Co., Paris, IL

- Exciting offering from one of the lead donors at Spittler Show Cattle. Last year we brought a June heifer calf out of Chopper that was a crowd favorite, but everyone really wished she was a Steel Force. So we flushed her to Steel Force and give you the chance to experience these calves yourself.
- This cow's dam, DOUBLE R SHESTHEONE, has produced over \$100,000 in progeny, producing many champions and high sellers and we feel this mating might just do the same for Rhythm.
- Selling choice of 3 embryos guaranteeing 1 pregnancy, or 5 embryos guaranteeing 2 pregnancies if work is done by a certified embryologist.

**Consigned by Spooner Cattle Co., Brodhead, WI**

- This outstanding female is as deep as they come. She was the 2010 Cow/Calf Champion at the AJSA Nationals in Des Moines, as well as the 2010 Supreme Cow/Calf Pair at the World Beef Expo. The calf along side her, KLS HALFBLOOD, is now a hot, sought after stud bull.
- Skittles throws hairy, soggy, sound calves that can excel in the ring, but they also are key breeding pieces in the pasture.
- The opportunity to flush this female is a sure fire, no miss kinda thing!
- Selling the right to flush to the bull of the buyer's choice.
- Semen and flush expenses to be paid by buyer.
- Guaranteeing a minimum of 5 embryos with a cap of 8. Additional embryos over cap will be retained by seller.
- Flush will be done at Lodi Vet/Embryo Services.

**KLS/KKK Skittles S614 – donor dam of Lot 7 and 7A**

**KLS Halfblood – full brother to Lot 7A embryos**

### Consigned by Allen's 5X Farm, Homer, IL

- We as purebred cattle breeders strive daily to improve and upgrade the quality of our herds. When ASX purchased CMOR WILDFLOWER from C Mor Beef, that was our goal.
- Being sired by the ever so consistent BUILT RIGHT, and out of a powerful BUSHWACKER cow, we knew WILDFLOWER was the one.
- She made us look pretty smart when her first heifer brought \$6,250 at the Pride of the Prairie sale, and won her class at the IL State Fair.
- The matings we are offering are phenomenal. We have WORKING MAN calves on the ground that are exceptional, and the AMERICAN PRIDE calves will be here soon.
- Call us, or better yet, stop by and see us so we can discuss the endless possibilities of these exciting new genetics.
- Selling choice of one package of 3 embryos, guaranteeing 1 pregnancy if work is done by a certified embryologist.

**Consigned by Graves Grandview Simmentals, Springfield, KY**

- Pride T700 is the elite donor at Graves Grandview. We are more than impressed with this female.
- She has no DREAM ON in her pedigree, and works extremely well with any bull that she is mated with.
- Pride T700 is extremely powerful, fluid, and fancy. In her first calf crop alone, she produced a \$6,000 heifer that sold to Sloup Simmentals in the NAILE Select Sale, and a herd bull purchased privately by Hearthstone Farms.
- This mating with Steel Force is sure to turn some heads. Get involved with these genetics, this opportunity will be a wise investment.
- Selling choice of 3 embryos guaranteeing 1 pregnancy or 5 embryos guaranteeing 2 pregnancies if work is done by a certified embryologist.

Pregnancy

**Consigned by Ryan Cattle Co., Viola, IL**

- This is truly the mating we have been waiting all winter for.
- Melody has become a lead donor here at RCC simply based off her track record of producing some great breeding tools not only here but in many other top producing herds in the country.
- We're offering one guaranteed heifer pregnancy sired by JF Milestone 999W.
- Milestone is causing quite a stir in the breed, producing some of the most sought after females and as an added bonus he is outcross pedigreed.
- Potential is unlimited here as we offer these great genetics for not only producing your next show heifer but the next donor females for your program.
- Recip is a black crossbred cow housed at Ryan Cattle Company in Viola, Illinois.
- Heifer pregnancy is due to calve March 1, 2012

DI L16 Ms Excitement Too  
NF Simple Truth 11H

Consigned by Rincker Simmentals, Shelbyville, IL

- Another competitive female on the L16 MISS EXCITEMENT TOO cow.
- This cow continues her stellar production career with CASSIDY, exhibiting all the qualities for the "winners circle".
- She combines her top shape with true lower base width, and yet she's agile and moves with ease.
- Cow power with style; what a great blend for this April heifer.

- The DOMINATION offspring have had a good first year for the young breeding sire.
- Out of the great "NO REGRETS" cow, SADIE fits that mold projecting eloquence in her lines and quality in her shape.
- Her added neck and body extension provides her the extra advantage to remain competitive as a breeding piece, and most definitely as a show heifer.

Proud Lady 1107R – maternal grand dam of Lot 29

JEHF Amelia – Lot 30A

Consigned by Fliehm/Hatfield, Richmond, IN

- We couldn't decide which one of these two EXPLORER daughters to offer so we are going to let you choose!
- Both of these heifers offer similar pedigrees but a little different phenotype.
- AMELIA has cow written all over her. Tons of rib, good hipped, correct off both ends and a nice set of numbers to complete the package.
- DIAMOND is just what her name says. A little greener and younger, however she is the heifer that you can have fun in the show ring with, then make a profitable cow when her show career is over. Cool fronted, good rib shape, long bodied and a sweet disposition!
- Study your lesson on these two females and take home the one that best fits your program!

**Consigned by Hudson Pines Farm, Sleepy Hollow, NY**

- For those of you that like to keep your old catalogs around for reference points (much like myself), dig up your Living Legacy V sale catalog and flip to Lot 20. There you'll find a full sister to Y0283 who topped the Living Legacy Sale that year at \$20,000, going to Circle T Simmentals in Tennessee. That female was Calf Champion at the Sweepstakes that year and went on to have an extremely successful show career for Circle T and Anna Kreiger. In the near future we'll be hearing plenty more from that female as she currently heads up the donor pen for the Kreiger family.
- Y0283 has many of the same qualities as that female with a little stouter rear leg. Attractive phenotype with the power and predictability of Hollywood Queene adds up to profit every time.
