**NEW THIS YEAR** – We will honor the **\*ONE YEAR\*** age addendum that the AJSA is honoring this year. Participants 22 years of age as of Jan. 1, 2021, must have held an active membership in 2020 and must be a paid member to show in 2021, are granted one additional year of eligibility. This additional year must be used in 2021. Following 2021 we will revert back to original age restrictions.

The IJSA has elected to add a Bred and Owned Female Show. This show will run simultaneously with the Owned Purebred and Percentage Female Shows. In the event our Champion and Reserve Champion Females in the Owned Show do not fulfill the Champion and Bred and Owned Champion Slots we will select those winners following each champion selection. Ring Help/Jr. Board will be tracking bred and owned during the show and if we need to make a selection in each division (if division winners do not qualify) we will do that as well.

We also will be adding an additional division in each heifer show making it a 6 division show. There will now be a division for the late spring yearling and early spring yearlings. Due to growth in entry numbers we realized this added division was necessary.

We will be broadcasting our show on Facebook Live.

You are allowed to leave as soon as you are done showing, but again please make sure you clean up your area thoroughly and be respectful of the fairgrounds that graciously allowed us to be here.

We will have a food vendor on Sunday and Sullivan Supply trailer will also be on site on Sunday.

**Awards:** A \$500 award will be given in memory of Dan Bernard Sr. to the Supreme Overall Animal exhibited at the 2021 IL Jr. Simmental Preview Show.
